

HOPE SCHOLARS ACADEMY

SEPTEMBER COMMUNITY SERVICE!

HEAD OF SCHOOL NOTE:

Wow! I can hardly believe we are coming quickly to the end of our first Quarter! These pictures help remind us of all that we have done as a school! The students enjoyed hearing from Josphine of Kenya, they worked hard at the Community Service, and most importantly--I am hearing of wonderful discussions and learning occurring in the classrooms! Enjoy reading up about our upcoming events and service projects! Fall break is around the corner and you can order Hope Scholars apparel through the link below. I look forward to seeing you on campus for Parent/Teacher conferences soon. We are blessed to have each student as part of the Hope Scholars Family!--Anna Goodwin Smith

SCHOOL PICTURE DAY

Your student's picture(s) can be found online [here](#). Please feel free to upload and print any shots that you'd like for your home and family. Some suggestions would be Walmart or mpix.com, where you can order one 8x10", two 5x7", 4 4x6", and 8 wallets for less than \$10.

We will be printing student IDs from the school pictures, so your child/ren will be able to take advantage of student discounts offered around town with an ID.

STUDENT FUN

**PARENT - TEACHER
CONFERENCES**

All new families are requested to attend conferences with their students' teachers along with a private meeting with Mrs. Smith. Returning families are recommended but not required. This is important to maintain clear communication between school and home.

LUNCHTIME INTRAMURALS

We are so blessed to have lunchtime intramurals taught by Coach Jay Bruner. Coach Jay is the father of 9th grade Freddy Bruner and the Head Tennis Coach for the College of Charleston men's tennis team. He has also started several athletic programs at area K-8 schools.

Coach Jay is leading Hope Scholars students in athletic skills on Monday and then Intramural game play on Wednesdays. Dodgeball was our September sport, now we are playing Ultimate!

COMMITTEE CORNER

From our School Support Chairwoman, Paige Bickar:

School Support Fund

This fund covers group teacher gifts (Christmas, birthday, end of year/Teacher Appreciation), plus a balloon for student birthdays (we will do also do something special for the summer birthdays).

If you have already given money to the "School Support Fund", thank you very much. If you haven't yet and would like to participate in the group gifts, please drop off an envelope (cash preferred) with your family name and "School Support" written on the front. We are requesting \$75 per student or \$100 per family. Thank you!

Christmas!

Yes, we are blessed to have a crafty mom and she is currently working on teacher Christmas gifts from the families that want to participate in the group gift. Thank you Samantha!

Celebrations!

We have already had a student birthday AND a teacher birthday. We were able to recognize these celebrations using funds from School Support.

Teacher Snack Day!

We are blessing our teachers with a monthly snack. Our first one is this Thursday. Stacey Wall sent out the Signup Genius last week. If you haven't signed up yet here is the link:
